

Ex COO of Klondex Mines Ltd joins Prophecy Development as CEO to Develop Gibellini Vanadium Mine

Prior to joining Prophecy, Mr. Michael Doolin was Chief Operating Officer at Klondex Mines Ltd. (“Klondex”) a mid-tier precious metals mining company with over 200,000 oz annual gold production prior to its takeover by Hecla Mining Company for US\$462 million in July 2018. From 2012 to 2018, Mr. Doolin was an integral part of Klondex management team that raised over US\$200 million in equity to develop Klondex’s Fire Creek, Hollister and Midas, gold and silver mines located in Nevada from permitting to construction to commissioning stages and then further expansion.

Vancouver, British Columbia, March 7, 2019 – Prophecy Development Corp. (“Prophecy” or the “Company”) (TSX:PCY, OTCQX:PRPCF, Frankfurt:1P2N) is pleased to announce the appointment of Michael Doolin as the Company’s Chief Operating Officer and interim Chief Executive Officer, effective April 1, 2019. In this role, Mr. Doolin will manage Prophecy’s worldwide operations while collaborating with Prophecy’s executive chairman John Lee on investor marketing, fundraising and the Company’s overall strategic direction.

Mr. Doolin is a mining professional with over 30 years of operational and management experience in Nevada with an emphasis on planning and budgeting.

Prior to joining Prophecy, Mr. Doolin was Chief Operating Officer at Klondex Mines Ltd. (“Klondex”) a mid-tier precious metals mining company prior to its takeover by Hecla Mining Company in July 2018. From 2012 to 2018, Mr. Doolin managed the development of Klondex’s Fire Creek, Hollister and Midas, gold and silver mines located in Nevada from permitting to construction to commissioning stages and then further expansion.

At Klondex, Mr. Doolin’s team obtained an Environmental Assessment for the Fire Creek Mine in nine months from the Battle Mountain BLM office who are overseeing Prophecy’s current Gibellini permitting, which is Prophecy’s top priority.

Mr. Doolin comments, “I am very pleased to join the Prophecy team and to work with everyone to bring Gibellini through permitting and into production as the first US primary vanadium mine. I am also looking forward to working on Prophecy’s other advanced mining projects in Mongolia and Bolivia as we develop those projects to their full potential.”

Prior to Klondex, Mr. Doolin worked in operations with Great Basin Gold, McClelland Laboratories, Eagle Pilcher Minerals, GD Resources, Marigold Mining, Corona Gold, and

Round Mountain Gold, all situated in Nevada. Mr. Doolin earned his Bachelor of Science degree in Metallurgical Engineering and Chemistry from Montana College of Mineral Science and Technology.

The Company also announces the resignation of Louis Dionne from the Board of Directors. The Company thanks Mr. Dionne for his service and wishes him the best in his future endeavours.
