Flying Nickel Closes First Tranche Private Placement for Proceeds of $207,166

Vancouver, British Columbia, November 1, 2023 – Flying Nickel Mining Corp. (“Flying Nickel” or the “Company”) (TSX-V:FLYN, OTCQB:FLYNF) is pleased to announce that it has closed the first tranche of a non-brokered private placement (the “Private Placement”) of 2,301,844 common shares of the Company previously announced on September 25, 2023, raising gross proceeds of $207,166. The Private Placement was priced at $0.09 per share.

No finders fees were payable, and all securities issued in connection with the Private Placement are subject to a regulatory hold period expiring on March 1, 2024.

Proceeds of the Private Placement will be used for exploration and general working capital.

About Flying Nickel

Flying Nickel Mining Corp. is a nickel sulphide exploration-stage mining company. The company is advancing its 100% owned Minago nickel project in the Thompson nickel belt in Manitoba, Canada.

Cautionary Note Regarding Forward-Looking Statements

Certain statements contained in this news release, including statements which may contain words such as “expects”, “anticipates”, “intends”, “plans”, “believes”, “estimates”, or similar expressions, and statements related to matters which are not historical facts, are forward-looking information within the meaning of applicable securities laws. Such forward-looking statements, which reflect management’s expectations regarding Flying Nickel’s future growth, results of operations, performance, business prospects and opportunities, are based on certain factors and assumptions and involve known and unknown risks and uncertainties which may cause the actual results, performance, or achievements to be materially different from future results, performance, or achievements expressed or implied by such forward-looking statements. Forward-looking information in this news release includes the statement concerning the expected use of proceeds raised from the Private Placement.

Forward-looking statements involve significant risks and uncertainties, and should not be read as guarantees of future performance, events or results, and may not be indicative of whether such events or results will actually be achieved. A number of risks and other factors could cause actual results to differ materially from expected results discussed in the forward-looking statements, including but not limited to: changes in business plans; ability to secure sufficient financing to advance the Company’s project; ability to complete the Company’s proposed merger with Nevada Vanadium Mining Corp. by plan of arrangement (the “Proposed Transaction”), as announced by press releases on October 5 and August 23, 2022 (collectively, the “Joint News Releases”); and general market, industry and economic conditions. See the Joint News Releases for further details about the Proposed Transaction and its associated risks. Further details about the risk factors concerning the proposed transaction are set out in such news releases. Additional risk factors are set out in the Company’s latest annual and interim management’s discussion and analysis, available on SEDAR at www.sedarplus.ca.

Forward-looking statements are based on reasonable assumptions by management as of the date of this news release, and there can be no assurance that actual results will be consistent with any forward-looking statements included herein. Readers are cautioned that all forward-looking statements in this news release are made as of the date of this news release. The Company undertakes no obligation to update or revise any forward-looking statements in this news release to reflect circumstances or events that occur after the date of this news release, except as required by applicable securities laws.
